Executive Presentation Skills: Inspiring without Perspiring!

For one night only, in conjunction with the Chamber of Commerce, international speaker Bill Russell

Are you terrified of speaking in public?

Have you lost promotion opportunities because of reticence?

Public speaking is the number one fear in the western world - but it doesn't have to be yours. Developing competent communication skills are essential in today's business world. Graduate from grumbling stomachs to thunderous applause by learning the secrets of professional speakers and sales specialists.

Take control of your nerves, your audience and your career by mastering techniques that will reduce anxiety, wow audiences and change your life.

This step-by-step guide will take you through the 'ins' and 'outs' of speech preparation, to the actual presentation, with real-life stories and examples from an international speaker who has nearly twenty years of speaking experience. We're so confident you'll find this workshop invaluable that we're offering a 100% money-back guarantee if it doesn't meet your expectations on the day – no questions asked. Lose the excuses now and lose your fear of public speaking forever. And tell your friends to join you, if you're not too shy.

Bill Russell has entertained, enlightened and informed audiences in Europe, America, Africa and the Middle East. Bill is a founding member of the Professional Speakers Association United Kingdom and has been a member of Toastmasters International for nearly 18 years.
