About BNI

BNI is a business referral organisation whose primary objective is to exchange qualified business referrals and teach word-of-mouth marketing techniques, whilst at the same time providing a support network of like minded business professionals.

BNI operates in 44 countries around the world with over 2,500 members in New Zealand ranging from Kerikeri to Invercargill.

What makes BNI unique is that it allows only one person per profession to join a chapter meaning there is no conflict in passing referrals and locking out your competitors from participating at your chapter.

We would like to invite you to this event so that you can learn more about how you can effectively market your business while learning about BNI and deciding whether you would be interested in generating a steady source of referral business for yourself. Remember to bring plenty of business cards to exchange with other business professionals.

Please RSVP to Chris Parkinson by no later than Friday 12th April for catering purposes.

Thank you and look forward to seeing you there!
