## MAKE A DAY OF IT!

The King Koil Great Auckland Bed Race 2014 is a FREE family fun day, with a real difference! Our entertainment hub includes a Kids Zone, Chill Out Quarter, Food Alley and Craft Corner. The Under the Covers Parade makes a grand entrance, with all racing beds (and runners!) dressed up to depict characters from books, theatrical / musical events, TV shows, comicstrips and even the silver screen. We have displays from Red Hot Cheer Performance Crew, Counties Dog Training Club Flygility Team, KiwiBubbleSoccer and more. Depending on fitness, race team runners take 15-45mins to complete our exciting bed race course (with the inevitable surprises!). Hopefully, they still have strength enough to lift their winning trophies! All in all, The King Koil Great Auckland Bed Race is the most fun you'll ever have in bed – with knobs AND wheels on!
